## Roads, Grounds & Security

Two Roads, Grounds and Security Projects are currently underway, the Remote Delivery Facility Secure Access Lane (RDF-SAL) along Route 27 and the Pentagon Secure Bypass (PSB) Lane which involves the rerouting of Route 110 through the Pentagon North Parking lot.

### PSB Project:

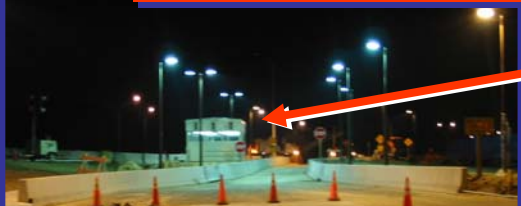

*A look at the inside of the ramp for pedestrian bridge #2.*

*A long shot of the North Parking connector, which should be finished mid-November.*

### RDF Secure Access Lane:

*An evening view of the new security station.*

*Completion of concrete work for the new truck queue.*

## Pentagon Athletic Center

The PAC will replace the existing 58-year- old Pentagon Athletic Facility with a 127,000-square-foot facility that meets membership fitness and readiness needs. The facility will be located at basement level underneath and adjacent to the Pentagon's Mall Terrace.

*A view of the the area that will be the new PAC basketball court. The indoor running track will be suspended above the court (circled).*

*"Clear Stories" are areas where windows will be installed to allow natural light to filter into the underground PAC.*

*Top: Concrete being placed for one of the PAC's "clear stories." Right: The material staging area on the Mall Terrace*
